Dear Dick,

I thought I would just drop you a line to let you know that the following members of the FIDF worked under my detachment Sergeant Major as enemy for our recent exercise SEAL WALLOW II:

| | |
|---|---|
| Privates | Paul Peck |
| | Douglas Hanson |
| | Bobby Smith |
| | John Ferguson |
| | Kim Summers |

They gave nigh-on a week of their time, with loss of earnings in a couple of cases. Their energy and enthusiasm contributed greatly to the value and success of our exercise, and they were a credit to themselves and the FIDF. Many thanks for their assistance, which was organised through a series of informal arrangements!

I know that you will be very proccupied with union and other business for the next couple of weeks. I shall draw up an outline for the FIDF exercise in early September in the near future, and would propose to discuss it with you in mid-August when the pressure has died down a bit.

Yours sincerely,

Nigel Willoughby.
